Notes to Editors**About Aqua**

Aqua's investment objective is to provide long term capital appreciation through exposure to a diversified portfolio of water-related investments.

Aqua will invest principally in businesses that are involved in i) water treatment and recycling (i.e. wastewater and recycling, water treatment and purification), ii) water infrastructure (i.e. water distribution) or iii) water application and conversion (water- to- energy and desalination) with the objective of capturing the growth opportunities emerging from the attractive long-term dynamics driving the water industry.

Aqua was incorporated as a closed-ended Guernsey registered investment company on 12 June 2008 and admitted to listing on the

Official List and to trading on the main market for listed securities of the London Stock Exchange on 24 July 2008.

Aqua is an Authorised Closed-ended investment scheme domiciled in Guernsey. As an existing closed-ended fund the Company is deemed to be granted an authorisation declaration in accordance with section 8 of the Protection of Investors (Bailiwick of Guernsey) Law 1987, as amended and rule 6.02 of the Authorised Closed-ended Investment Schemes Rules 2008 on the same date as the Company obtained consent under the Control of Borrowing (Bailiwick of Guernsey) Ordinance 1959 to 1989.
